The Prench troops are also said to be entering Sardinia. A French loan of five hundred million france is announced. Sardinia had replied to the Austrian ulti-natum on the 26th, but the result had not

been divulged. Austrian troops were expected to cross the

Ticeno at any moment.
It is reported that the Emperor has agreed to another proposed mediation. The French troops were entering Pledmont. Great war-like activity prevailed throughout France.— The Corps Legislative met at Paris on the 25th ult. to hear the Government statement (21.42)

greatest excitement.

The British Channel fleet has sailed with sealed orders, but its destination is reported to be the Adristic. It is rumored that the whole militia force of England into be emisodied in anticipation of that country being involved in the impending war.

[SKCOND INSPARANCE.]

FRANCE.—At the meeting of the Legisla-tire Corps, Count Walewski read to the Chambers an exposition of the negotiations which had taken place, saying that if the Emperor made war it would be because he Emperor made war it would be because he had been constrained so to do by the aggressive conduct of Austria. He also said every possible consideration had been used by France to avoid the calamity of war. Count Du Moiney expressed the hope that if war should ensue, it would be confined to listly.

Gen. Neil left Paris on the 24th, to take his command. The Emperor and Prisee Napoleon would on Wednesday join the army. Four thousand troops had arrived at Toulon to form a camp.

Toulon to form a camp.

The disposition of the French Marshalls have been officially announced in the Moni
100 Boxes Tobacco,

have been officially announced in the Monitour.

The regiments which left Paris for the frontiers, were enthusiastically cheered by the people.

The London Pest says that the policy of the English Government has forced France into an alliance with Russia. A dispatch from Vienna stated that the French troops but already violated neutral territory. The

had already richated neutral territory. The
French troops had arrived at Genoa, and entered the Sardinian territory. The imperial guard of France had been placed on a war

al guard of France had been placed on a war footing.
PIERIMONT.—Dispatches were received at London, stating that the Austrian army would enter Pledmont on the 26th ult. in three divisions. The Pledmontese would the property of the pro

Samuria.—A dispatch from Turin states that the King was to depart immediately with his staff for Alexandria.

It is assorted that King Victor Emanuel tree and Malaga Wines.

E. O'BRIEN.

will command the army in person. The vote in the Sardinian Chambers, in regard to investing the King with declarative powers, stood 110 to 24.

Austral.—The official Vienna Gazette publishes a communication calling on Piedmont to reduce its army to a peace footing.

B. O'BRIEN.

N. B.—As my stock is now complete and well asorted, I invite all who wish to get Fine Groceries, white and Liquiers, free from drugs, to call and see me, and I will do all it my power to compensate them for their trouble.

E. O'BRIEN. mont to reduce its army to a peace footing, disband the volunteers and within three days to give a positive answer to these requirements; threatening in case of refusal, a resort to arms. The French Legation had been ordered to quit Vienna as soon as the

Austrian troops crossed the Ticino, which was hardly expected. Phussia.—The Austrian correspondent says that the Prussian Cabinet had received previous advices touching the Austrian ulti-matum, and therefore her faithful adherence

to the Union with Austria is hoped for. Russia.—Russia has mobileized four corps of troops, two of which are to be advanced towards Austria, and the other two toward the Prussian frontier. The London Times THE WONDER & ADMIRATION of the 27th in speaking of the French-Russo alliance, says, that this is most startling; changing in a moment the whole aspect

INVIGORATOR PREPARED BY DR. SANFORD,

THE LIVER

Compounded Entirely from Gums, IS ONE OF THE BEST PURGATIVE And Liver Medicines now before the public, that sets as a catharite, easier, milder end more effectual than any other medicine known. It is first only a Catharite, but a Liver remedy, acting first on the Liver to eject the morbid matter, then on the atometic and bowels to carry off that matter, thus ecomplishing five purposes effectually, without any of the pain'ul feelings experienced in the operation of most Catharites. It strengthens the system at the same time that it purges it; and when taken daily in moderate dones, will strengthen and build it up with unusual rapidity.

with unusual rapidity.

The Laver is none of the uman body; and when it performs its functions well the powers of the ed. The stomsch is alton the healthy action on the healthy action on the healthy action of the laver for the proper thouse is at fault, the bowels system suffers in come fives—having cassed that organ, as made it his atudy, it wenty years, to find to counteract the many it is liable.

To prove that this repeated with of its forms, has but to its forms.

Judge of the conty useful instrument which has been declared the only useful instrument which has ever yet been invited, for the cure of Seminal Rever yet been invited, for the cure of Seminal Rever yet been invited, for the cure of Seminal Rever yet been invited, for the cure of Seminal Rever yet been invited, for the cure of Seminal Rever yet been invited for the cure of Seminal Rever yet been invited for the spread and the relief the have derived their attention exclusively to this peculiar class of maladies, and the relief the have consequently been able to reader their fellow-greature, is fully testified and gratefully acknowledged by convalescent putients and others daily arriving in town, from all parts of the country, for the express purpose only of consultations, while their exertions have been crowned with the most signal advantages, yet crow what they have experienced in engiliar into the cases of the analysis of their prevention to that of the host dangerous and lavet erate, they have alwas enteristiced the possibility of their prevention and temoryal, and likewise in therefore Dr. AMOS and SON have succeeded in discovering, in the selection of their remedies, a safe, effectual and cautious complaints of remedies and haracter, as well asthose whose premature or injudicious application might be productive of bad consequences in the hands of private individuals. In short, the laudable end of their remedies as the less ening of s great mass of human misery by the alteriation or while and interference for their exteriation or well and interference for their exteriation or while and prevention of those greaters and an interference for their exteriation or well and interference for their exteriation or well and interference for their exteriation or well and the province of the exteriation of the control of the con
